“U FISTINU” Selection

€ 20

Nel luglio del 1624, mentre la peste funestava Palermo, all'interno di una grotta sul Monte Pellegrino furono ritrovate le spoglie mortali di Rosalia Sinibaldi, che portate in processione fecero cessare immediatamente la grave malattia.

A 400 anni dalla prima processione, la città ancora celebra con il tradizionale “Fistinu” che ricorda la miracolosa intercessione di Santa Rosalia.

In July 1624, while the plague was ravaging Palermo, the mortal remains of Rosalia Sinibaldi were found inside a cave on Monte Pellegrino, which, carried in procession, brought an immediate end to the lethal disease.

400 years after the first procession, the city still celebrates with the traditional ‘Fistinu’ commemorating the miraculous intercession of Saint Rosalie.
